

August 2007 SenioRx/Wellness Public Service Announcement

**Public Service Announcement**

**The SenioRx/Wellness Program** sponsored by *your local Area Agency on Aging's name* is providing training in Osteoporosis Causes and Preventions for the Month of August. Come learn information on how increasing physical activity and nutrition can help you live very healthy and productive lives. The SenioRx/Wellness Program also provides free medications for most chronic illnesses. Contact *your SenioRx Coordinator's name* at **1-800-243-5463** or come by our office at *your AAA name and address* for more information.
